BHSF Limited authorised by the Prudential Regulation Authority and regulated by the Financial Conduct Authority and Prudential Regulation Authority.

HOW IT WORKS

- 1 When an employee requires health care that is covered by their plan, they simply pay the bill and can then claim cash back.
- 2 All they need to do is send in a completed claim form with a detailed original treatment receipt to BHSF either online or by post.
- 3 Subject to policy terms (which include qualifying periods), the claim is then paid directly to the employee.
