

# CAR BENEFIT SCHEME

A SIMPLE AND EASY WAY FOR YOUR EMPLOYEES TO OBTAIN A NEW CAR THROUGH SALARY SACRIFICE.

## OVERVIEW

This unique benefit allows employees to use some of their salary before it's taxed in exchange for the use a brand new car. They can enjoy a nice new set of wheels without any deposit or ongoing running costs including road tax, insurance, MOTs, breakdown assistance and repair bills.

The service, facilitated by award-winning salary sacrifice car provider Tusker, is delivered through the most advanced live quotation and fleet management system in the UK, with direct access available through the advantage platform.

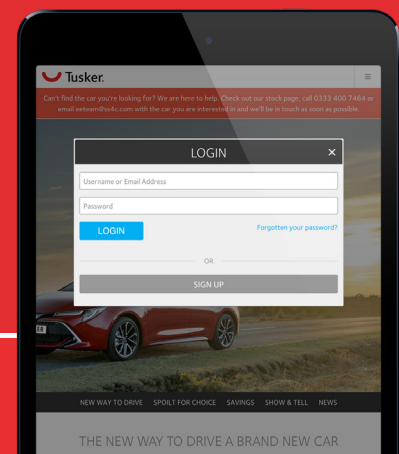

Not only are new cars the greenest on the market, the carbon emissions for every car purchased through the scheme are also offset by Tusker, which makes it a fantastic environmentally-friendly benefit.

## KEY FEATURES

- Employees get a brand new, fully insured and maintained car and make savings on tax and National Insurance (depending on the car chosen).
- All servicing, vehicle maintenance (including tyre replacement), European breakdown cover and fully comprehensive motor insurance is included.
- Employees benefit from further fleet discounts
- Fully automated online quote to order system
- Employers could be saving an average of £350 a year for every car ordered through the scheme (based on Tusker's most popular ultra-low emission car).

## HOW IT WORKS

- 1 Employees will get given unique login details for this scheme, which they can access through the advantage platform.
- 2 Once logged in, employees will be able to search a huge a range of cars, read expert reviews and prepare quotations.
- 3 Employees then submit a request for their chosen new car online.
